prettily and then the ball's direction was reversed and Harold Castle failed after a meritorious try at goal. Harold Dillingham had a foul registered against him in this period. Kauai 2; Oahu 3½.

Fourth Period.

Charlie Rice took first crack and H. Dillingham backed the ball. H. Castle hit, Malina connected, and W. Dillingham drove the willow back again. W. Dillingham made a fine run and Castle took the ball on a flying pickup. Walter Dillingham came up hand over hand and tried for goal uneffectually. Malina sent the ball spinning with one of his old-time hits and A. Rice missed a shot at goal. A bit later on the ball was down at the other end of the field and Walter missed a long shot. Philip Rice hit hard and clean, but there was no one able to carry the ball along. Castle took the sphere, and sticking to it, ran up on the goal and scored. Pretty play of a give and take nature ensued for a while, the men using their heads as well as their mallets. Atkinson did some particularly nice stick work right here. Harold Dillingham made a gain, then Brother Walter took command, Charlie Rice and Harold Castle doing some spectacular riding off. The goal was all but penetrated by the Oahu ball just before the period came to an end.

Kauai, 2; Oahu 1½.

Fifth Period.

Kauai pressed from the start, evidently not relishing the small margin between the scores. The game was so fast that Referee Angus had to change his pony. Arthur Rice carried the ball Oahuward with a couple of sensational hits and the ball rested on the goal line, from which precarious position it was kicked by Harold Dillingham's pony. A little later on Charlie Rice scored an easy goal. H. Dillingham backed a hot Kauai shot and Philip Rice ran the ball along the field for a way until Castle took it from him. Two Kauai men let the ball get past them and then Charlie Rice headed it off cleverly. Walter Dillingham shot at goal but had hard lines, the ball hitting one of the posts. Then Philip Rice came along in the nick of time and saved the goal by knocking the ball out of the danger zone. Walter Dillingham took the ball along for a way but Philip Rice was there with a nice backing stunt. Oahu forced the game at the latter end of the period and had the better of the exchanges.

Kauai, 3; Oahu 1½.

Sixth Period.

Malina picked up the ball soon after the drop of the hat from a

difficult angle near the white rail on the automobile side. He was mounted on a very fast and racy-looking pony. Castle backed in good shape, and then Atkinson took a crack. It was all Oahu's ball and Castle's shot at goal left the ball almost on the goal line. Walter Dillingham tipping it through. Malina scored with another of his favorite back-handed strokes soon after they got going again, equalizing honors for the period. Harold Dillingham took the ball out of the "scrum" in great shape. Malina backed and Arthur Rice scurried up the field with the ball all his. Walter Dillingham saved the situation near goal and Atkinson took the ball out of danger. Walter Dillingham made a hefty shot, but the ball hit Charlie Rice's pony. The ball became disentangled from the ruck of players right in front of Malina, who missed a shot that was not so easy as it looked, the ball stopping a little short of the goal's mouth. Kauai, 4; Oahu, 2½.

Seventh Period.

Oahu played a win or bust game at the start of the period and the Kauai goal was soon menaced. Castle, who seemed to be here, and everywhere, scored for 30 seconds from the start at the period. Castle took the ball up and A. Rice brought it down again. Castle backed and C. Rice backhanded the ball to the middle of the field. Harold Dillingham drove the ball back and Castle passed it along, Walter Dillingham scoring a good goal in two and a half minutes from the time of the last goal. Charlie Rice made a peach of a hit, Malina missed connections and Arthur Rice did better. Philip Rice missed the ball and Atkinson backed to Castle, who rode over the ball. A. Rice sent the ball to central territory and Malina carried it along. C. Rice weighed in with a long hit upfield, and Malina missed a shot at goal. Castle relieved the pressure and Atkinson raced down the field with the ball, Dillingham taking it from him just as the bell rang.

Oahu, 4½; Kauai, 4.

Eighth Period.

Arthur Rice hit well, but Harold Dillingham was there with the goods and backed effectively. Atkinson scored for Oahu 40 seconds from the start of the period, making the score: Oahu, 5½; Kauai, 4. The latter were debited a quarter of a point in this period for a safety. Malina made a good, long hit, and Philip Rice, picking up the ball, essayed a shot at goal and narrowly escaped scoring. Atkinson backed well and Walter Dillingham took the ball up the field in clinking fashion scoring the second goal of the period and making the score: Oahu, 6½; Kauai, 3¾. W. Dillingham backed Malina's rush order and Castle took the ball down. The game ended with the ball in Kauai's territory and another goal in sight.
